Subject: Supplier Evaluation Result.

Dear Sirs,

As the leading natural gas company of Turkey and one of the prominent companies in the world, our corporation is in close relation with the suppliers like you as its shareholder.

All our suppliers are under regular periodical supervision by İGDAS Quality Assurance Management in order to enrich their quality levels and enhance their production performances.

Within such context, upon the technical assessment performed in your company between the dates of 27-29/07/2010, your firm has been ascertained to be in category A.

We congratulate your company and all its employees and wish you continued success.

Sincerely Yours,

Serhan TAFLAN
Quality Assurance Manager
